COVER LETTER

Dear IACP members and friends,

At the beginning of the magical year of 2020, the International Association for China Planning (IACP) board of directors would like to send our best wishes to you in the New Year!

In 2019, IACP has organized many academic events and made substantial achievements. Between June 14 and June 16, 2019, the 13th IACP Annual Conference was held in Southwest Jiaotong University and it was organized by the School of Architecture and Design. The conference theme was "Sharing cities: Challenges and responses to new urban planning". The event attracted more than 500 scholars from around the world to discuss issues, challenges, and experiences under different contexts for shared cities in China. These scholars presented more than 350 papers within 84 parallel sessions structured into different themes including: development in the context of the "Belt and Road" strategy, planning and construction in western China, Transportation and infrastructure, urban land use, rural revitalization and urban-rural coordination, preservation planning for the historical and cultural heritage, urban governance, ecological environment protection and planning, housing and community development, inclusive urban development, urban informatics and smart cities, regional economic development, urban design, and planning education.

In addition, the 7th International Forum of Urban and Rural Planning Dean/Chair was held in Chengdu with deans and department heads of planning schools discussing the topics of planning education and curriculum in the era of big data and new technologies, and integration of research.

On Oct 25, the IACP annual business meeting was held at the ACSP conference in Greenville, SC. We reported IACP's key activities and achievements and

序言

亲爱的国际中国规划学会的会员和朋友，您好！

在美好的2020年来临之际，国际中国规划学会祝您新年里学业进步，工作顺利，诸事如意！

在2019年，学会组织了丰富多彩的学术活动并取得了丰硕的成果。2019年6月14日至16日，第十三届国际中国城市规划学会（IACP）年会由国际中国规划学会与西南交通大学主办。本次会议的主题是“共享城市：新城市规划面临的挑战与对策”。本次会议聚集了来自世界各地的500多名规划学者和从业者，接收350多篇论文分别在84个平行会议中进行了交流。会议组织了以下主题：“一带一路”战略的发展，中国西部的规划和建设，交通与基础设施，城市土地利用，乡村振兴和城乡协调发展，历史文化遗产保护规划，城市治理，生态环境保护与规划，住房与社区发展，城市发展包容性，城市信息学与智慧城市，区域经济发展，城市设计与规划教育。

会议同时还举行了第七届城乡规划院长/系主任国际论坛。各院系带头人讨论了在大数据与新技术的时代，如何调整规划教育与实践的结合、规划学科设置与人才培养、以及规划教学与研究的结合。

10月25日，国际中国规划学会（IACP）在南卡罗来纳州格林维尔的美国规划院校学会（ACSP）年度会议上主持了年度会议和招待会。会上我们总结了2019年的主要活动并提供了财务报告，介绍了 Karen Polanski 学生奖学金的筹款工作。我们还介绍了新的董事会，组织结构以及2020年计划开展的活动。重点活动包括由深圳大学于6月20-21日举行的年度会议以及首届由清华大学于2020年6月16日至18日主办的城市研究青年学者学术写作与发表工作坊。

过去的一年里，学会理事会成员继续努力推动中国的规划研究。理事会成员访问了三十多所大学，为各校师生带去最新的研究报告。理事会成员及朋友们持续在国际知名学术杂志中

provided the financial report. We also announced the fundraising efforts for the Karen Polanski student awards. Finally we introduced the new board, the organization structure, and planned activities in 2020. Highlighted activities include the annual conference hosted by Shenzhen University on June 20-21, 2020, and the first Academic Writing Workshop for Junior Urban Scholars, hosted by Tsinghua University on June 16-18, 2020.

In 2019, the IACP board members continued with efforts of promoting planning research in China. The IACP board members have visited and presented at more than thirty universities in China and around the world, sharing the most updated research topics, methods, results and research agenda. The members have also organized special issues in international journals, providing opportunities for Chinese scholars to disseminate their research documenting and evaluating China's urbanization. Finally and most importantly, we would like to highlight our appreciation for your support. Your active engagement with the IACP is the key to its success.

We look forward to seeing you at the 14th IACP Conference at Shenzhen University in 2020!

Sincerely yours,

Yan Song

Chair, 2017-2019 Board of Directors International
Association for China Planning

Professor, University of North Carolina at Chapel

POST CONFERENCE TECHNICAL TOUR – 2019 IACP IN DUJIANGYAN 2019 IACP 都江堰技术之旅

In the summer of 2019, the IACP and the Tongji Institute of Urban Planning & Design co-organized a technical tour of urban planning to Dujiangyan, Sichuan, China after the annual conference in Chengdu. The participants included thirty planning professors and graduate students from universities in the U.S., Hong Kong, and mainland China. The purpose of this trip is to explore urban and rural planning research and practice in Western China.

The tour participants visited several sites in Dujiangyan: the Urban Planning Exhibition Pavilion (Figure 1), a rural ecological demonstration area (Figure 2), an urban renewal project in the old town, and the Dujiangyan Irrigation system (Figure 3). During the visit, Professor Kou Huaiyun from the Tongji University introduced several urban planning projects that the Tongji Institute of Urban Planning & Design completed in Dujiangyan. The tour participants discussed whether and how planning policies could address the urban issues caused by fast urbanization in Western China. They also discussed how urban planning could help to preserve the historical and cultural heritages like the Dujiangyan Irrigation System and integrate them into the fast-evolving urban systems in Western China. The technical tour is a good demonstration of IACP's role in connecting researchers and professionals within and outside China interested in China planning issues.

2019年暑期，国际中国城市规划学会（IACP）与2019 IACP年会协办方同济规划设计院在成都年会后共同组织了都江堰技术之旅。来自美国、香港和中国大陆约30名规划教授和研究生参加了此次技术之旅。此次技术之旅的目的是深入了解中国西部城市规划的研究和实践。此次技术之旅包括参观都江堰城市规划展览馆（图一）、都江堰生态农业示范区（图二）、都江堰老城更新改造工程以及都江堰水利工程（图三）。来自同济大学的寇怀云老师为大家详细讲解了同济院在都江堰市完成的几个规划项目。同行的老师和同学们深入了解了中国西部快速城市化中存在的问题和相应的规划政策，探讨如何在快速城市化过程中保护文化遗产并把它们融入到新的城市体系中去。此次技术之旅很好地体现国际中国城市规划学会在连接国内外城市规划学者中的重要作用。
