telephone and email address

The abstract submitted to a regular session should answer the following questions[4] in 200-300 words. The technical committee will review abstracts based on how the questions are answered:

- What is the issue addressed and why is the issue important for policy or practice?
- What gaps or misunderstandings in the literature does the research fill or correct?
- How is the research conducted?
- What are the (expected) research findings?
- What are the conclusions for policy or practice and the implications for further research?

Keywords: three to five keywords

---

[1] Capitalize only the initial letter of each word.

[2] Use the following format: First name Last name; do not capitalize last name.

[3] When you submit an abstract online, please enter the names of all of your coauthors on the website. Otherwise, their name will not appear in the conference program.

[4] The questions were borrowed from the requirements of Journal of Planning Education and Research.

Authors interested in presenting in the "Innovative Practices" sessions should submit an abstract of 200-300 words addressing the following questions:

- What primary challenge(s) were planners faced in this project?
- What kind of innovative methods were employed, or what were the unique aspects in the solution?
- What lessons does this experiment offer to similar projects?

Keywords: three to five keywords
